

Floorguard

FLOORGUARD 100% ACRYLIC FLOOR ENAMEL is a water-based acrylic coating specially formulated to enhance and protect interior and exterior masonry floors, patios, sidewalks, basement floors, porches, walkways and steps. It stands up under moderate abrasion conditions such as foot traffic and rubber wheel cart traffic. The flat finish is resistant to washing, oils, gasoline, scuffing and weather exposure.

It may also be applied to properly prepared wood and metal surfaces.

309 - FLOORGUARD 100% ACRYLIC FLOOR ENAMEL
